### *National Franchise Company Announces Signing of Troy, OH Franchise*

**Middleton, MA – May, 15, 2009:** Extra Innings, America’s premier indoor baseball and softball training center, continues to grow in the state of Ohio. The Middleton, Massachusetts based Extra Innings Franchise Company is proud to announce the signing of a new franchise for Troy, OH. Extra Innings Troy is the company’s third Ohio franchise and is expected to open later this year. Extra Innings currently has facilities open in Miamisburg and Solon.

Extra Innings Troy will showcase a first class facility providing optimal space for all around baseball or softball training needs. The location will service and support baseball and softball players in Miami County and beyond.

“Doug and I have been involved in youth sports locally for many years, not only as athletes in our younger days, but now, as the knees and arms grow older, we’re enjoying the same kinds of athletic experiences with our own kids. The opportunity for the Troy and surrounding communities to have the leader in indoor baseball and softball training centers in our own backyard was too exciting to pass up,” said Todd Mowery, co-owner of Extra Innings Troy. “Extra Innings’ professionalism, close-knit team and unrivaled knowledge make up the perfect roster. Doug and I are excited and proud to now be on-deck and part of their extended team and family.”

Extra Innings Training Centers are unique in the marketplace. Each facility, regardless of size, offers year-round practice facilities for ballplayers of all ages and ability levels, professional instruction, and a nationally recognized Pro Shop that carries the top brands of baseball and softball equipment and apparel available today.
